

The 7th Traditional Foods Symposium (<https://gelenekselgidalar.org>), organized in collaboration with the Department of Food Engineering and the Department of Gastronomy and Culinary Arts of Gaziantep University, the Chamber of Food Engineers (TMMOB), and the Chamber of Agricultural Engineers (TMMOB), will be held face-to-face on October 1–3, 2026, hosted by Gaziantep University in Gaziantep, a center of national and international significance in the field of gastronomy.

The official language of the symposium for both presentations and publications are Turkish. We cordially invite researchers and practitioners working in the field of traditional foods to participate with their scholarly contributions, reflecting their knowledge and experience, and we welcome their suggestions and valuable contributions.

On behalf of the Symposium Organizing Committee
